

Paul Hamlyn Foundation

Grants Announcement
June 2023

Paul Hamlyn Foundation is one of the largest independent grant-makers in the UK. We use our resources to support social change, working towards a just and equitable society in which everyone, especially young people, can realise their full potential and enjoy fulfilling and creative lives.

The 53 grants described here have been awarded between April and June 2023 and total over £7.46 million.

Details of all grants are available in our [grants database](#).

Investing in Young People

We support organisations at different stages of development to improve, consolidate and spread practices that empower young people to shape their lives and lead change.

Youth Fund

Our Youth Fund provides core funding to organisations whose main purpose is working with and for young people (aged 14-25) who face complex transitions to adulthood.

[ConnectFutures CIC](#)

Grant amount: £150,000

Grant duration: 36 months

Location: England

Project: Formalising ConnectFutures' youth asset-based approach

Description: ConnectFutures (CF) work with young people, communities and professionals to increase knowledge, resilience and confidence in preventing extremism and serious violence, challenging hate, and promoting social justice. This grant will allow CF to strengthen their operating model by implementing a Youth Advisory Board in partnership with the West Midlands Virtual Schools Children in Care Foundation. Funding will also support recruitment of two new roles, trained to support the Youth Advisory Board, and expert guidance to develop their evaluation methods to capture connections between individual and systemic impact.

[My Life My Say](#)

Grant amount: £150,000

Grant duration: 36 months

Location: UK Wide

Project: Driving the Next Generation of political engagement

Description: My Life My Say (MLMS) is a youth-led, non-partisan charity on a mission to create an age of political engagement that will deliver greater social inclusion and equality allowing the space for dialogue across generations and communities. This grant will enable MLMS to expand

the scope and reach of their operations, ensuring that young people from the most hard to reach communities gain access to the democratic process and drive social change.

North East Young Dads and Lads (NEYDL)

Grant amount: £150,000

Grant duration: 36 months

Location: England

Project: Core support to facilitate expansion, improve asset-based working and impact.

Project Description: North East Young Dads and Lads (NEYDL) works with young fathers and expectant dads (aged 25 and under) experiencing disadvantage in the North East. Funding will provide NEYDL's Chief Executive more capacity to focus on income generation to support their expansion across the North East and service development over the next three years. It will also support NEYDL to develop their Regional Young Dads Council and hire a part-time Inclusion Project Worker to improve their reach, impact and influence with minoritised and marginalised young fathers.

Platform London

Grant amount: £90,000

Grant duration: 24 months

Location: UK Wide

Project: Shake! - Fighting racial and class injustice within youth and arts organisations.

Project Description: Shake! uplifts the voices of young people from marginalised communities to deliver artistic and creative activism that drives social change. Shake! Is led by what young people need, using anti-oppression, trauma-informed, healing, creative approaches to tackle systemic injustice and influencing the practice of white dominated institutions, especially youth organisations. Funding will increase the capacity of the team to continue to share the model, learning and practice.

Positive Youth Foundation

Grant amount: £40,000

Grant duration: 12 months

Location: England

Project: Go Parks initiative and Youth Leadership Programme

Description: The Positive Youth Foundation aims to improve the life chances of young people facing challenging circumstances. Their offer includes targeted support services for refugees, asylum seekers and newly arrived young people; alternative education; mentoring; and group activities focused on health, wellbeing, and positive development. This grant will support PYF in partnership with local organisations to deliver a programme of cultural activities for young people in parks and open spaces in Coventry.

Small Green Shoots

Grant amount: £150,000

Grant duration: 36 months

Location: England

Project: Small Green Shoots: Strong Foundations

Description: Small Green Shoots (SGS) is a Black and female-led arts charity supporting young people, primarily from across London, to pursue careers in the creative industries. This grant will provide core support to enable SGS to deliver their growth and impact plans. It aims to increase capacity and the number of young people they can support into sustainable careers, strengthen their asset-based approach, and increase their influence with creative industry employers to create a more equitable environment for young people.

[The 4Front Project](#)

Grant amount: £90,000

Grant duration: 24 months

Location: England

Project: Young People & Changemaking - moving from Harm to Healing

Description: The 4Front Project is a member-led youth organisation empowering young people and communities to fight for justice, peace and freedom. They support members with experiences of violence and the criminal justice system to create change in their own lives, communities and society. Funding will provide core support for The 4Front Project to address the challenge for marginalised young people to meaningfully participate in change making.

[The National House Project](#)

Grant amount: £150,000

Grant duration: 36 months

Location: England

Project: The National House Project

Description: The National House Project (NHP) is a charitable incorporated organisation that provides support and expertise to local authorities around the country to set up and manage Local House Projects so that young people aged 16 – 25 leave care in a planned and supported way. This grant will fund investment in the senior leadership team to enable more strategic working with a focus on scaling. This approach addresses the systemic, cultural and structural changes that are required to meet the needs of young people leaving care, work which is steered by the Care Leavers National Movement (CLNM).

If you would like to find out more about this Fund please see [here](#).

Youth Strategic Investment Fund

[Integrate UK](#)

Grant amount: £550,000

Grant duration: 60 months

Location: England

Project: Youth Strategic Investment Fund

Description: Integrate UK invests in the skills, passions and talents of young people as leaders who can thrive in a society based on gender and racial equality and cross-cultural cohesion. This grant provides core funding to support organisational consolidation and strengthening to grow impact significantly over five years.

The Advocacy Academy

Grant amount: £550,000

Grant duration: 60 months

Location: England

Project: Increasing reach and influence

Description: The Advocacy Academy is a youth organising movement, working to create a more fair, equal and just society where young people with lived experience of injustice have the power to make lasting change for themselves and their communities. It focuses on building the power of young people, using radical youth work and community organising alongside training in justice. Core funding will support consolidation through investment in organisational strengthening that will enable increased reach and influence.

The Young Women's Movement

Grant amount: £550,000

Grant duration: 60 months

Location: Scotland

Project: Youth Strategic Investment Fund

Description: YWCA Scotland - The Young Women's Movement is an intersectional feminist organisation which creates transformational spaces that enable young women to lead personal, community and institutional change. Core funding will support a transformative strategic development journey to further grow impact so that all young women can access the support, resource and platform to have a voice, take action and create positive change.

Migration and Integration

We want to support young people who migrate, and strengthen integration so that communities can live well together. Our funding seeks to help organisations to address exclusion, deepen connections and build 'shared ground' that can lead to a more socially equal society.

Shared Ground Fund

The Shared Ground Fund supports organisations working to influence migration system reform, improve access to support services, strengthen civic participation and inform public understanding.

[African Rainbow Family](#)

Grant amount: £248,000

Grant duration: 36 months

Location: England

Project: No Pride in Deportation

Description: African Rainbow Family (ARF) is a not-for-profit organisation that supports lesbian, gay, bisexual, transgender, intersexual and queer (LGBTIQ) people of African heritage and from wider Black and Asian minority ethnic groups. This grant will fund a Campaign & Communications Officer to enable ARF to increase their capacity to raise awareness and campaign for justice, focusing particularly on ending deportation and detention of LGBTIQ people seeking asylum in the UK.

[Hackney Migrant Centre](#)

Grant amount: £20,000

Grant duration: 12 months

Location: England

Project: Hackney Migrant Centre Advice Service

Description: Hackney Migrant Centre (HMC) supports asylum seekers, refugees and other vulnerable migrants to access their rights and rebuild their lives. They create a safe, supportive environment, with a weekly session giving high quality advice on immigration and housing, backed up by practical support, a hot lunch, and migrant-led social sessions to improve wellbeing. This grant will support their core work and secure their existing services for the next 12 months while also allowing the organisation to focus on applying for longer-term funding and ensuring organisational sustainability.

[Independent Workers Union of Great Britain](#)

Grant amount: £250,000

Grant duration: 36 months

Location: UK Wide

Project: Nurturing and Developing Migrant Leaders from the Grassroots

Description: The Independent Workers Union of Great Britain (IWGB) is a trade union led by and made up of precarious and migrant workers, with a particular focus on outsourced workers and workers in the “gig economy” (low-paid self-employment) sectors. This grant will support the trial of a new leadership development programme to nurture worker members (80% of whom are people who have migrated), increase their skills and capacity to represent their peers, take on advocacy work and leadership in the union.

[Migrant Action](#)

Grant amount: £246,000

Grant duration: 48 months

Location: England

Project: Migration and Systemic Justice

Description: Migrant Action is a grassroots advocacy and migrant justice organisation working with people who have migrated to the UK and are outside the asylum system. This grant will support their core work and implementation of their 5-year strategy including: provision of holistic advice and advocacy, mentoring migrant leaders, expanding multi-agency partnerships, influencing policy and practice across the Yorkshire region through convening and collaborative campaigning.

Refugee Legal Support

Grant amount: £180,000

Grant duration: 36 months

Location: UK Wide

Project: RLS Leadership: delivering our new strategy for impact and resilience

Description: Refugee Legal Support (RLS) are a group of UK and EU asylum lawyers acting in solidarity with refugees in Greece. They provide free legal support to those seeking sanctuary in Greece or reunification with their family members elsewhere in Europe. This grant will fund core costs, including the Management Team, so that RLS can implement their new strategy, help more people and link their work to systemic change.

Work Rights Centre

Grant amount: £280,000

Grant duration: 48 months

Location: UK Wide

Project: Protecting migrants in post-Brexit Britain: a migrant worker strategy

Description: The Work Rights Centre is a charity dedicated to helping migrant workers exit precarious work. Founded by people who have migrated to the UK with experience of the immigration system, they provide expert employment rights casework and evidence-based advocacy which strives to affect systemic change for the long term. This grant will enable the development of a cohesive strategy for protecting migrant workers in post-Brexit Britain. The programme of work will involve research into the limitations of the current immigration-employment nexus, advocacy, and frontline support for migrant workers.

Arts Access and Participation

We believe in the power of the arts as a force for change, and one that enriches people's lives and communities.

Arts Access and Participation Fund

The Arts Access and Participation Fund addresses inequalities of opportunity to access and

participate in the arts. We want to support change in the way the arts are created, presented, accessed and experienced.

[Access All Areas](#)

Grant amount: £250,000

Grant duration: 48 months

Location: England

Project: Transforming Leadership Programme

Description: Access All Areas support Learning Difficulty and Autistic (LDA) artists to be leaders in film, TV and theatre to address structural ableism in the arts and culture sector. Specifically, they will co-lead Transforming Leadership programme and support LDA artists as consultants to further support others like them in the sector.

[Disability Arts Online](#)

Grant amount: £220,000

Grant duration: 48 months

Location: UK Wide

Project: Core funding

Description: Disability Arts Online are an organisation led by disabled people, set up to advance disability arts and culture. They give disabled artists a platform to blog and share thoughts and images describing artistic practice, projects and finding inspiration to be creative. This grant will contribute to Disability Arts Online's core funding, enabling them to deliver a bold programme of accessible, creative and critical work in the digital realm and with location-based partners.

[Extant](#)

Grant amount: £207,000

Grant duration: 40 months

Location: England

Project: Extant Enhance

Description: Extant is a professional performing arts company that explores visual impairment to create unique and innovative artistic experiences, placing visually impaired people at the centre of all they do. Extant Enhance is an alternative to audio description, designed by and for visually impaired people. It addresses the barriers of cost and long lead-in times for venues and provides a more holistic and connected audience experience for visually impaired theatre goers. This grant will enable the roll out of Extant Enhance to a number of mid-scale theatres nationwide to continue developing it and build a business model for ongoing financial sustainability.

[People United](#)

Grant amount: £165,000

Grant duration: 36 months

Location: England

Project: Futures of Care 2

Description: People United is a socially engaged participatory arts charity based in East Kent. This grant will support Futures of Care 2 which evolves People United's care-centred practice, building on partnerships and pilot projects developed over the last three years, including co-commissioning and a collaboration with Kent Refugee Action Network.

SBC Theatre

Grant amount: £204,000

Grant duration: 36 months

Location: England

Project: Core support

Description: Stand and Be Counted Theatre (SBC Theatre) make live and digital theatre with a proud record for platforming new artists and welcoming new audiences. Their work is innovative, adventurous and political, merging lived experience with new ideas. This grant will fund core support to enable SBC Theatre to extend arts access for people seeking sanctuary (refugees, asylum seekers and new migrants) through developing and delivering long-term programmes of creative activity, leadership and performance.

Strike A Light

Grant amount: £207,000

Grant duration: 48 months

Location: England

Project: Supporting creative participation opportunities for young people

Description: Strike A Light work with and for communities in Gloucester to create events, tell people's stories through performance and provide participation opportunities for young people. This grant provides core funding to support creative opportunities for young people in Gloucester through Community Producers, youth theatre/dance classes and annual training programme for new and emerging practitioners with a focus on Global Majority and diverse leaders in the city.

The Albany

Grant amount: £238,000

Grant duration: 36 months

Location: England

Project: Becoming a centre for excellence in co-creation and community participation

Description: Albany Theatre is an arts centre and cultural hub in South East London. This grant will help The Albany to create a long-term shift in its operations, to centre co-design, co-creation and community participation across the organisation, with multiple points of entry for communities and artists to help lead this change, including Associate Artists and Young Creatives.

The Art House

Grant amount: £120,000

Grant duration: 36 months

Location: England

Project: Studio of Sanctuary

Description: The Art House is home to over 50 artists, makers and creative businesses, and exists to champion equality of access and higher diversity in contemporary visual arts practice. Artists and audiences are invited to engage with the creative process through a rich programme of residencies, exhibitions, events, workshops and professional development opportunities. This grant will fund the consolidation of work supporting refugees and asylum seekers as artists and as participants through a Studio of Sanctuary (SoS) programme, offering bespoke support to people staying in the local Initial Accommodation Centre for people seeking asylum.

The OHMI Trust

Grant amount: £150,000

Grant duration: 36 months

Location: UK Wide

Project: Supporting Music Hubs to deliver Inclusion for Physically Disabled Children & Young People

Description: The One-Handed Musical Instrument (OHMI) Trust does pioneering work with and for people with congenital and acquired upper limb impairment. They aim to remove the physical barriers to learning and playing an instrument faced by children, young people and adults who do not have the full use and control of two upper limbs. This grant will enable OHMI to support Music Hubs in delivering full equitable access to early music making for physically disabled children and young people. They will do this through needs assessment, providing instruments and additional support to young learner musicians, providing training to music teachers and inclusion managers in Music Hubs. They will also deliver ongoing sector support and development through original research, refining and disseminating best practice; and partnership with others.

ZoieLogic Dance Theatre

Grant amount: £135,000

Grant duration: 36 months

Location: England

Project: We Are Holyrood

Description: ZoieLogic Dance Theatre is a professional dance theatre company in Southampton; making and touring dance theatre work alongside youth and community projects. They challenge the perceptions of dance, who it's for, and where and how it is shown. This grant will support 'We Are Holyrood', an accessible creative dance programme delivered in the heart of the Holyrood Estate, Southampton, placing the needs of the community centre stage to raise aspirations and build community cohesion.

If you would like to find out more about this Fund please see [here](#).

Education and Learning through the Arts

The arts play an important role in enriching young people's learning and educational experiences.

Arts-based Learning Fund

The Arts-based Learning Fund supports work which enables pupils in formal education settings, particularly those experiencing systemic inequality or disadvantage, to thrive through engagement with high quality, arts-based learning.

21Common

Grant amount: £100,000

Grant duration: 24 months

Location: Scotland

Description: 21Common is a dance collective producing performance and community collaborations nationally and internationally. This grant will enable them to work collaboratively with children and teaching staff in four Glasgow schools, enabling pupils to engage in performance arts and develop social and personal skills and a sense of agency over their own learning.

Freedom Foundation CIC

Grant amount: £69,500

Grant duration: 28 months

Location: England

Project: Motivational Mornings

Description: Freedom Foundation is an arts organisation who work with children to improve mental health, increase skills, resilience and self-esteem. This grant will support a two-year programme of work in two secondary schools in Nottingham to test the impact of a long-term arts-based approach on the learning, mental health and wellbeing of children who are most at risk of suspension or exclusion.

Settle Stories

Grant amount: £150,000

Grant duration: 24 months

Location: England

Project: Storyful

Project Description: Settle Stories collaborate with communities and artists to create transformative experiences that ignite curiosity and reimagine storytelling. This grant will fund

work with teachers and pupils in North Yorkshire to co-create new resources supporting children and young people's mental health and wellbeing through storytelling and mindfulness approaches. They will test the effectiveness of resources in live, hybrid and digital only delivery formats.

Thames Festival Trust

Grant amount: £225,000

Grant duration: 30 months

Location: England

Project: River of Hope

Description: River of Hope explores river and water topics, using creative media, visual arts, music and poetry to challenge and provoke classroom discussion, in particular relating to environmental sustainability and climate change themes. The programme will reach Year 4 classes in 40 schools around England.

The Forge

Grant amount: £237,000

Grant duration: 32 months

Location: England

Project: Talking Cameras: using photography to support neurodiverse learners

Description: The Forge is an arts organisation specialising in participatory arts projects with children. They work closely with disadvantaged schools co-creating arts-based programmes to improve children's outcomes. This grant will support the Forge to partner two Special Educational Needs Schools, Ashdale and Blythdale in Northumberland, to co-construct 'Talking Cameras' with pupils who experience a range of significant speech, language and communication and learning challenges and/or behavioural needs. The Forge is examining how photography and visual literacy methods can be used across the whole curriculum to support children's personal, social and academic development in SEND settings.

The Open Theatre Company Limited

Grant amount: £250,000

Grant duration: 36 months

Location: England

Project: Teaching differently: developing creative agency in the special school classroom

Description: Open Theatre develops and promotes the creativity of young people with learning disabilities using non-verbal physical theatre. They run sessions in special schools, out of school groups and theatre projects. Open Theatre Company is extending their reach, working intensively with teaching staff in three specialist SEND school settings in the West Midlands, equipping the adults to embed Open Theatre's proven young person-led, playful and responsive practice throughout the curriculum and school day.

If you would like to find out more about this Fund please see [here](#).

Other grants

Breakthrough Fund

Common Wealth Evie Manning

Grant amount: £107,842

Grant duration: 12 months

Location: Wales

Project: Extended support from Breakthrough Fund

Description: Common Wealth make experimental, multi-disciplinary theatre with, by and for people new to the arts that is rooted in their socialist politics, working class backgrounds, and an ambition to make change. Their Breakthrough grant in 2018 enabled them to appoint a Collaboration Coordinator in each city, supported the company's producing budgets, digital capacity and creative R&D with artists emerging through Common Wealth's projects and programmes. This grant will support core costs for Common Wealth to continue to grow the company in South Wales and navigate the end of their Breakthrough Fund grant and the impact of the Covid-19 pandemic.

Development Fund

Actors Touring Company

Grant amount: £5,700

Grant duration: 6 months

Location: UK Wide

Project: Evaluation of Black Out performances for Tambo & Bones

Description: Actors Touring Company (ATC) produces international, contemporary theatre that travels, creating shows that activate and entertain, asking questions of the world around us. This grant will enable ATC to conduct an evaluation that evidences the impact of Black Out performances of 'Tambo & Bones' and measure the success of their aim to create a liberating, safe space for Black audiences to view the play together in one night.

Bytes Project

Grant amount: £15,500

Grant duration: 12 months

Location: Northern Ireland

Project: Building Collaboration and Evidencing Capacity

Description: The Bytes Project works with vulnerable young people in Northern Ireland, using youth work and technology to help transform their lives. This grant will fund work in collaboration with Youth Action to examine the capacity and capability of the voluntary youth work sector.

[Nick of Time Productions](#)

Grant amount: £8,000

Grant duration: 3 months

Location: England

Project: GRENFELL: System failure

Scenes from the Inquiry

Description: Nick of Time Productions is led by director, producer and founder Nicolas Kent. This grant supports the production of a second verbatim play about the Grenfell Inquiry, edited by Richard Norton-Taylor and Nicolas Kent, performing at Playground Theatre, Tabernacle Theatre and Marylebone Theatre throughout February and March 2023.

[Ten Years Time](#)

Grant amount: £20,000

Grant duration: 12 months

Location: UK Wide

Project: Core staffing costs

Description: Ten Years Time (TYT) advises high-net-worth individuals to think about philanthropy differently, bringing them closer to the communities they wish to support and supporting the distribution of funds. This grant will contribute to core staffing costs which will help to develop their membership offer and expand their fiscal hosting work.

Evidence and Learning Fund

[Institute for Voluntary Action Research](#)

Grant amount: £5,000

Grant duration: 12 months

Location: UK Wide

Project: UK Evaluation Roundtable: Trust-based learning

Description: The Institute for Voluntary Action Research (IVAR) is an independent charity that works closely with people and organisations striving for social change. This grant will contribute towards IVAR's core costs – in particular, the administration, organisation and facilitation of the spring convenings; their Community of Practice; and the production and publication of briefings, webinars and other learning resources.

[London Legal Support Trust](#)

Grant amount: £50,000

Grant duration: 36 months

Location: England

Project: Learning from advice workforce development

Project Description: The London Legal Support Trust raises funds for free legal advice services in London and the South East. They support free legal advice centres through the provision of grant funding, supporting infrastructure of the sector, and helping agencies reduce costs and save money via pro bono or discounted schemes. This grant will allow them to commission small-scale research, develop advice workforce strategy, and evaluate programmes funded under this programme to share learning. This work will be done in collaboration with Propel learning partner IVAR to ensure the learning from this work is embedded into the overall Propel programme.

Our Neighbourhood Fund

[Hosted by Calthorpe Community Project - The Space to Come \(The Black Mary Project\)](#)

Grant amount: £35,000

Grant duration: 24 months

Location: England

Project: Our Neighbourhood Fund 2022-2023

Description: The Space to Come is a project by artist-convener Gaylene Gould that creates interactive experiences for people to explore a deeper relationship to themselves, each other and the world about them. The Space To Come experiences are participatory and collaborative. They blend artforms, conversation, reflection, play and ritual to test new ways of fostering a more compassionately connected world. The Black Mary Project will revive Black Mary's Hole, a fabled 17th Century healing well, on the site of Calthorpe Community Gardens in Kings Cross co-creating, with the community, an imaginative healing sanctuary for London.

[Copenhagen Youth Project](#)

Grant amount: £25,000

Grant duration: 24 months

Location: England

Project: Our Neighbourhood Fund 2022-2023

Description: Copenhagen Youth Project (CYP) is a unique youth project working in partnership with young people in Islington to create and sustain a positive youth culture that inspires children and young people to plan, initiate and lead their own projects. CYP runs a youth centre on Copenhagen Street where young people can attend youth club, football sessions, access employability advice and mentoring and seek wellbeing support.

[Global Generation](#)

Grant amount: £40,000

Grant duration: 24 months

Location: England

Project: Our Neighbourhood Fund 2022-2023

Description: Global Generation is an educational charity, which works together with local children and young people, businesses, residents and families in Camden, Islington and Southwark to create healthy, integrated and environmentally responsible communities. They use land-based activities and the metaphors of ecological and cosmic processes to support building community between each other and the natural world. They primarily work with local young people, businesses and families in King's Cross as well as going on camping residential.

[Islington Bangladesh Association](#)

Grant amount: £35,000

Grant duration: 24 months

Location: England

Project: Our Neighbourhood Fund 2022-2023

Description: Islington Bangladesh Association (IBA) aims to engage with members of the community who are most at risk of social exclusion in learning and networking activities, so they can regain confidence, raise health awareness and improve health inequality, acquire new skills, broaden their horizons and access the support services they might need to pursue personal development opportunities. It provides a space for families, women, young people, and pensioners facing poverty and other forms of hardship to come together, access services and navigate statutory support provided by local authorities, NHS, welfare benefits, etc.

[Islington Giving through Cripplegate Foundation](#)

Grant amount: £50,000

Grant duration: 12 months

Location: England

Project: Our Neighbourhood Fund 2022 - 2023

Description: Islington Giving supports projects helping people living in poverty in Islington by raising funds and making grants to groups across three main strands: Investing in Young People; Supporting Families; and Reaching Isolated People. Operating on the principle that everyone can give, whether with their time, expertise, networks or money, Islington Giving brings people who live and work in Islington together to support their local community.

[King's Cross Brunswick Neighbourhood Association \(KCBNA\)](#)

Grant amount: £35,000

Grant duration: 24 months

Location: England

Project: Our Neighbourhood Fund 2022-2023

Description: Kings Cross Brunswick Neighbourhood Association (KCBNA) tackles inequality, creates opportunities and transforms lives. Led by local community members, they invest in the development of people as assets for change across three centres and through outreach work. They encourage community participation in decision making, bringing diverse communities and groups together to build belonging and lead community regeneration. They run over 45 services

each week for all ages and reach over 2,000 people annually. This grant will support core costs to deliver strategic aims as well as developing their services.

New Horizon Youth Centre

Grant amount: £50,000.00

Grant duration: 24 months

Location: England

Project: Our Neighbourhood Fund 2022-2023

Description: New Horizon Youth Centre enable homeless and vulnerable young people to secure the futures they deserve and the independence they crave. For 360 days of the year, via their seven day a week drop-in service, they provide everything from hot cooked food, showers and laundry, right through to support with advice, finding work and getting housed.

Women at the Well

Grant amount: £90,000

Grant duration: 24 months

Location: England

Project: Our Neighbourhood Fund 2022-2023

Description: Women at the Well supports women whose lives are affected by, or at risk of being affected by prostitution. Established in 2007, the organisation has supported communities in Camden, Islington and Haringey for the last ten years. Services are provided to people who have multiple and complex needs including drug and alcohol abuse, mental health difficulties, experience of homelessness and trafficking.

Young Camden Foundation

Grant amount: £40,000

Grant duration: 24 months

Location: England

Project: Our Neighbourhood Fund 2022-2023

Description: Young Camden Foundation works to address the growing uncertainty of long-term investment in the children and young people sector in Camden and the need to build more cross-sector partnerships. Their membership of 130+ organisations working in or with communities in Camden includes community centres, sports clubs and supplementary education organisations. Members can access support, training, services and grants.

Voice, Influence and Partnerships

Alliance Publishing Trust

Grant amount: £8,000

Grant duration: 12 months

Location: UK Wide

Project: Working towards a more equitable philanthropy sector in the UK and internationally

Description: The Alliance Publishing Trust (APT) provides the global philanthropy sector with independent opinion, expert debate and trusted insight, through events, newsletters, and quarterly print and online magazine Alliance. This grant will provide core funding to improve APT's coverage of global philanthropy, with the aim to make their field more effective, progressive, geographically balanced and including a greater diversity of voices and perspectives.

Culture Commons

Grant amount: £30,000

Grant duration: 12 months

Location: UK Wide

Project: The future of cultural devolution

Description: Culture Commons support creative organisations and the publicly subsidised cultural sector by bringing cutting-edge research and policy development activity together to co-design policy and influence decision making at local, regional and national levels. This grant will support their work exploring how devolution will affect the creative and cultural life of the UK. The programme will see a steering panel and working groups brought together to propose possible policy solutions for a future UK Government to adopt.

Positive Money

Grant amount: £30,000

Grant duration: 12 months

Location: UK Wide

Project: Positive Money core support

Description: Positive Money is a research and campaigning organisation who lead on money and banking reform. Their vision is for a money and banking system that serves a fair, democratic, and sustainable economy. They carry out grass-roots campaigns, undertake research, lobbying and advocacy work, and lead an international reform movement. The grant will increase Positive Money's capacity for work aimed at changing the public narrative on several core topics, and for mobilising the public to pressure decision-makers at key opportunities. It will also help their reactive work challenging damaging narratives, and help fund an expanded team.

Runnymede Trust

Grant amount: £15,000

Grant duration: 12 months

Location: England

Project: Stephen Lawrence 30 years on

Description: Runnymede is the UK's leading independent race equality think tank. This grant supports their campaign, led by his family, for justice for Stephen Lawrence as 22 April 2023 marks the 30th anniversary of his murder.
