**Project:** Blueprint: Supporting arts organisations in Northern Ireland

**Description:** Arts & Business NI is a membership organisation for cultural and commercial businesses in Northern Ireland. This grant supports Arts and Business NI to deliver Blueprint, a bespoke programme designed to meet the unique needs of Northern Ireland based arts organisations and based on a four-year programme of research led by Arts & Business NI and delivered by Small Change NI. The programme will support small to mid-scale artistic and cultural companies from across Northern Ireland, meeting a current gap in provision and develop a cluster of organisations, investing in them over a five-year period to strengthen long term financial sustainability.

### Civic Square

**Grant amount:** £384,000

**Grant duration:** 36 months

**Location:** West Midlands

**Project:** The Front Room

**Description:** Civic Square is a Birmingham based organisation with a bold approach to visioning, building and investing in civic infrastructure for neighbourhoods of the future. They build on Impact Hub Birmingham and deliver programmes to reimagine the Public Square, host a Neighbourhood Economics Lab and nurture a creative and participatory ecosystem. This grant supports The Front Room, the first phase of Civic Square in Birmingham, which aims to reimagine and create innovative civic infrastructure for neighbourhoods of the future.

### Social Finance

**Grant amount:** £200,000

**Grant duration:** 24 months

**Location:** North West, South East

**Project:** Impact Incubator: Driving systemic change on social issues

**Description:** Social Finance is a not for profit organisation that partners with the government, the social sector and the financial community to find better ways of tackling social problems in the UK and beyond. This grant is a two-year extension of support for the Impact Incubator, a collaboration between Social Finance and UK charitable foundations that seeks to drive systemic change on social issues. Social Finance will use a combination of place-co-production methodologies to create a children and young people-led approach to understanding what issues they are facing and what good outcomes would look like for them.
