Grants Made in India

The [India programme](#) supports local organisations, aiming to focus our resources where we can add most value in priority geographical areas. Between March and November 2021, we made the following grants. Details of all grants made are available in our [grants database](#).

India Open Grants

Aaina

Grant amount: ₹56,94,500

Grant duration: 21 months

Location: East\Orissa

Project: SPARSH: State Resource Centre

Description: Aaina aims to empower disabled people and support them to realise their potential. This grant supports Aaina to extend services for disabled people to rural areas in four districts of Odisha. They will work with deafblind people in two districts, develop a network of disabled people and their care givers, and improve links and systems for accessing government social security.

Aawaj Jankalyan Samiti (Aawaj)

Grant amount: ₹68,21,000

Grant duration: 21 months

Location: Central\Madhya Pradesh

Project: PARWAH: A preventive system for addressing child trafficking in Madhya Pradesh

Description: Aawaj Jan Kalyan Samiti (Aawaj) aims to use the law as a positive force for social change. Aawaj works to advance and protect the rights guaranteed by the Indian Constitution, raising local awareness and supporting communities to defend their rights. This grant supports Aawaj to undertake a comprehensive view of child trafficking prevention in Madhya Pradesh by developing an integrated approach at both source and destination areas and building awareness of the issue in the local community.

Barasat Unnayan Prostuti

Grant amount: ₹71,29,658

Grant duration: 36 months

Location: East\West Bengal

Project: Community action against trafficking in North 24 Parganas – phase two

Description: Barasat Unnayan Prostuti (BUP) is a rights-based organisation that aims to empower women and young people with literacy and other skills to improve community capacity, re-build the local economy using local resources, and create alternative livelihoods to help prevent unsafe mass-migration, trafficking and enslavement. This grant supports BUP to expand their programme co-developed

with social workers and survivors of human trafficking to raise awareness of the issue in local communities and to signpost relevant resources and services.

Basic HealthCare Services

Grant amount: ₹1,04,28,050

Grant duration: 36 months

Location: North\Rajasthan

Project: Creating a workforce for quality primary healthcare in South Rajasthan – phase two

Description: Basic HealthCare Services (BHS) works to provide a responsive, empathetic primary health ‘circle of care’, rooted in the community. They aim to reach vulnerable communities through a network of responsive primary healthcare and nutrition services. This grant supports BHS to continue mentoring young physicians working in South Rajasthan communities, and to advocate for healthcare reform.

Center for Community Development through Network, Education, Research, Training, Resource Mobilisation and Capacity Building (Cod Nerc)

Grant amount: ₹43,61,200

Grant duration: 24 months

Location: North East\Mizoram

Project: Project "How Are You" (PHAY): Strengthening the ‘helping’ ecosystem to reduce vulnerability of urban migrant families in Mizoram – phase two

Description: Centre for Community Development through Network, Education, Research, Training, Resource mobilisation and Capacity Building (Cod Nerc) aims to promote the NGO movement in Mizoram and act as a catalyst to collaborate with other state, national and international agencies. Their programmes span health, work and livelihoods, IT and entrepreneurship, rights of women and children, and flood response. This grant supports Cod Nerc to continue Project ‘How Are You’, which aims to strengthen the local ‘helping’ ecosystem, increase access to government support, and reduce vulnerability of urban families who have migrated in Mizoram.

Chale Chalo

Grant amount: ₹1,01,81,400

Grant duration: 36 months

Location: East\Orissa

Project: Didi: Women leading action for water security and sustainable development – phase two

Description: Chale Chalo is a grassroots development organisation that aims to create an economically, socially, politically, culturally and environmentally sustainable society where people enjoy their human rights without poverty, distress, violence and suffering. This grant supports Chale Chalo to continue their project Didi, which aims to empower women and enhance their capacity to lead development, planning and governance in their communities, with a particular focus on water security.

Conservation of Nature through Rural Awakening (CONARE)

Grant amount: ₹60,55,960

Grant duration: 24 months

Location: South\Andhra Pradesh

Project: Alternative livelihoods for Chenchu tribal communities in the fringe areas of Amrabad Tiger Reserve Area – phase two

Description: Conservation of Nature through Rural Awakening (CONARE) aims to facilitate socio-economic and cultural development of communities experiencing severe disadvantage. Their approaches centre around the holistic development of communities through collective action. This grant supports CONARE to set up the Chenchu Multi Activity Resource and Training Centre (C-MART), increasing their reach to 500 families and creating a cohort of young Chenchu men and women to take on leadership roles and reduce the role of CONARE over the next two years.

Graham Bell Centre for the Deaf

Grant amount: ₹1,34,46,320

Grant duration: 36 months

Location: East\West Bengal

Project: Identifying and empowering disabled children and adults - phase two

Description: Graham Bell Centre for the Deaf (GBCD) works to build the confidence and capacity of disabled people, and to ensure that education, skills training, and livelihood opportunities are inclusive. This grant supports GBCD to continue identifying and empowering disabled children from early years to adulthood.

Grameen and Samajik Vikas Sanstha

Grant amount: ₹54,39,100

Grant duration: 21 months

Location: North\Rajasthan

Project: Dignity and entitlements for labour in Central Rajasthan – phase three

Description: Grameen and Samajik Vikas Sanstha (GSVS) aims to educate, organise and empower communities in Rajasthan by promoting development as a force for social justice, economic growth and self-reliance. This grant supports GSVS in the third and final phase of their project to improve working conditions and access to government entitlements for mine and construction workers in Central Rajasthan.

Gramrajya Vikas Evam Prashikshan Sansthan

Grant amount: ₹45,10,200

Grant duration: 21 months

Location: North\Rajasthan

Project: Ensuring basic and quality education for children from DNT communities

Description: Gramrajya Vikas Evam Prashikshan Sansthan (GVPS) is a rights-based organisation working for the empowerment of marginalised communities in Rajasthan. They work with a diverse range of partners at local, state and national levels in education, health and human rights among women, children, youth and urban communities. This grant supports GVPS to expand their work in government

schools to ensure basic and quality education in the Bundi district of Rajasthan, with a focus on education for children from denotified tribe (DNT) communities.

Integrated Social & Institutional Development for Empowerment (InSIDE-North East)

Grant amount: ₹44,31,000

Grant duration: 21 months

Location: North East\Manipur

Project: Gun2Pen: Building an enabling environment for children in conflict areas

Description: InSIDE-North East is a non-profit organisation who work to support women, children and young people in North East India. They provide counselling, career guidance, coaching, skills training, workshops, sports for peace programmes, and a youth conference. Through their work they aim to bridge the gap between young people in the North East and other regions in order to build a better and more inclusive India. This grant supports the organisation to develop Gun2Pen, an education and livelihood support programme for young people experiencing disadvantage in conflict areas of Manipur.

Jana Sanskriti Centre for Theatre of the Oppressed

Grant amount: ₹1,79,14,719

Grant duration: 36 months

Location: East\West Bengal

Project: Spreading forum theatre in communities – phase three

Description: Jana Sanskriti Centre for Theatre of the Oppressed (JS) uses forum theatre to address social issues that emerge from patriarchal traditions. They work with performers and the public. This grant supports the third phase of a project that will create a network of forum theatre teams in local communities to address issues such as child marriage, trafficking and girls dropping out of education.

Khoj - A Quest for Knowledge Hope Opportunity and Justice

Grant amount: ₹59,31,273

Grant duration: 21 months

Location: West\Maharashtra

Project: Capacity-building of Gram-Sabha members on Natural Resource Management plans in Amravati district – phase three

Description: Khoj works with remote village and tribe communities in the forests of Melghat to facilitate effective planning and strengthen local village governance and resources. They protect and promote documentation of biodiversity in the region, support health and educational needs, and act as a bridge between work on-the-ground and policy advocacy. This grant supports Khoj in the third phase of work with Gram-Sabha members across multiple villages so that they can develop and implement Natural Resource Management plans in the Amravati district of Maharashtra.

MAHAN Trust

Grant amount: ₹64,66,000

Grant duration: 24 months

Location: West\Maharashtra

Project: Reduction of blindness in tribe communities of Melghat and surrounding villages – phase three

Description: MAHAN (Meditation, Addiction, Health, AIDS, Nutrition) Trust provides preventive and curative medical facilities to tribe communities in Melghat. They attempt to create a positive impact in a region challenged by high infant mortality rates, poverty and malnutrition. This grant supports MAHAN to continue work to reduce blindness in tribe communities of Melghat and surrounding villages through awareness-raising and provision of local eye care services and treatment.

Manipur North Economic Development Association

Grant amount: ₹40,79,600

Grant duration: 24 months

Location: North East\Manipur

Project: Green Wings for Youth: Building socially conscious young entrepreneurs among the Maram Tribe in Manipur

Description: Manipur North Economic Development Association works across gender, education, business and finance, legal and human rights, energy and environment, disability, child development, agriculture, nutrition, and wildlife. Their work includes livelihood programmes for families experiencing poverty, peace and community rehabilitation programmes, and raising awareness of disability rights. This grant supports the Green Wings for Youth project which aims to build socially conscious young entrepreneurs in Maram Tribe communities.

Network for Youth Development & Healthy Environment (NYDHEE)

Grant amount: ₹55,19,500

Grant duration: 21 months

Location: East\Orissa

Project: Building resilience and sustaining livelihoods in migrant households in the Muribahal block of Balangir District

Description: Network for Youth Development & Healthy Environment (NYDHEE) is a social development organisation working across livelihood, water and sanitation, health and hygiene, education and nutrition, in Odisha, Jharkhand and West Bengal. They aim to eradicate socio-economic inequities through a sustainable development approach with community groups and institutions. This grant supports NYDHEE's work with families who have returned to eight villages following Covid-19 lockdown. Local community workers will support 200 families to create sustainable livelihoods through poultry and vegetable cultivation, and access underused government entitlements and resources.

Nirman

Grant amount: ₹1,33,51,216

Grant duration: 36 months

Location: East\Orissa

Project: Consolidating a people-led approach to conservation and livelihood – phase two

Description: Nirman promotes sustainable development through the empowerment of communities, restoration of ecosystems and decentralisation of natural resource governance. They work to enhance the livelihood, food, and nutritional security of Adivasi, with a particular focus on smallholder farmers and fishing communities. This grant supports Nirman in phase two of a project to consolidate a people-led approach to conservation and livelihood and continue raising awareness of forest rights, enhancing capacity of local leaders and securing legal rights to forest land.

Nivedita Foundation

Grant amount: ₹31,16,500

Grant duration: 18 months

Location: Central\Chhattisgarh

Project: Leadership programme for the young people in marginalised communities in Janjgir Champa, Chhattisgarh – phase two

Description: Nivedita Foundation (NF) is dedicated to building leadership capacity in communities experiencing marginalisation and to mobilising groups to help them access education and health services as well as their social and economic rights. They use a rights-based approach to develop women's leadership and bring about structural change in favour of those experiencing exploitation, including women, tribal communities and other minoritised people. This grant supports phase two of NF's fellowship programme for young people in the Sabariya and Sidar tribes, and build longer term community capacity.

Praxis - Institute for Participatory Practices

Grant amount: ₹62,32,000

Grant duration: 21 months

Location: East\Bihar, Jharkhand

Project: Building and strengthening social development organisations in Bihar, Jharkhand – phase two

Description: Praxis works to influence equity and governance-related policies through participatory research and to democratise development processes to pave the way for an equitable society without poverty. This grant supports Praxis to continue delivering a course to individuals and community organisations in Bihar to build their capacity and empower them to take charge of local development agendas.

Rural Volunteers Centre

Grant amount: ₹41,70,421

Grant duration: 21 months

Location: North East\Assam

Project: Living Better with Disasters: Developing household resilience in the flood plains of Dhemaji District, Assam

Description: The Rural Volunteers Centre (RVC) aims for an epidemic-free and just society through the use of technology and self-reliance. They empower children, women and indigenous groups to access secure livelihoods, health and education, through skills training and technology. They also engage with government to address gaps in systems and policies in the management of natural resources and support communities to adapt to climate change. This grant supports RVC to move from

community-centric to household-centric disaster resilience building. Over two years, they will support every household in ten villages to develop household level disaster resilience plans, with increased focus on family income and economic resilience.

SAFA Society

Grant amount: ₹61,38,750

Grant duration: 21 months

Location: South\Andhra Pradesh

Project: Nasr Collective: A project towards community development

Description: SAFA provides a safe, supportive and empowering place for women and girls across Hyderabad. Their holistic programmes upskill women and young people in trades like tailoring, embroidery, cooking, beauty and wellness, healthcare and IT. This grant supports SAFA to work with communities in Hyderabad city experiencing poverty and marginalisation to link their work on economic empowerment with community ownership across social and cultural spaces and help reform urban space.

Samaan Social Development Society

Grant amount: ₹41,79,600

Grant duration: 24 months

Location: Central\Madhya Pradesh

Project: CoCare: Community care for mental health, Indore

Description: Samaan Social Development Society works to empower women and communities affected by violence, aggression or injustice, supporting them to pursue alternative livelihoods. This grant supports Samaan Society to develop CoCare, a community-based programme to increase awareness and holistic support around mental health and illness. The programme will bring together health workers, community leaders and social workers to establish two mental health centres in work area settlements in Indore.

Samvedna

Grant amount: ₹67,42,160

Grant duration: 21 months

Location: Central\Madhya Pradesh

Project: Working with men and boys in the Bedia community of Madhya Pradesh

Description: Samvedna works to combat caste-based commercial sexual exploitation and human sex trafficking in Bedia and Bachhra communities. They have a two-pronged approach – working with the victims for their rehabilitation and reintegration, and prioritising prevention for vulnerable members of the community through advocacy. This grant supports Samvedna to work with men and young boys within the Bedia community to engage them on issues of alternative livelihoods, human rights, gender, dignity and gender-based violence. Peer networks across communities and districts will be developed to facilitate alternative sources of income through links with other skills providers.

Sanatan Unnayan Sangstha

Grant amount: ₹35,34,100

Grant duration: 21 months

Location: North East\Assam

Project: Reducing vulnerabilities of families in shut tea gardens of Assam

Description: Sanatan Unnayan Sangstha (SUS) works across child and youth development, health and rights with a growing focus on tea garden areas of Chancoorie. This grant supports SUS to work closely with families in an abandoned tea garden area in the Silchar district, with initiatives comprising income savings and credit, nutrition enhancement and remedial education classes for children to help reduce the stressful living conditions of the families and assist in their financial and social recovery.

SANHITA

Grant amount: ₹40,61,500

Grant duration: 21 months

Location: East\West Bengal, Jharkhand

Project: Towards Safe Workplaces: Building the capacity of government Internal Committees and unorganised sectors to provide safe workspaces for women

Description: SANHITA is a Gender Resource Centre, committed to an overall vision of gender justice and equity. They advocate for the rights of women and people of other genders at workplace and government level. This grant supports Sanhita to build the capacity of Internal Committee members of government departments to provide safe workspaces for women employed in government settings as well other unorganised sectors and industries. They will increase rights awareness among Trade Union of Jute workers and other workers associations and advocate for expanding the definition of the Sexual Harassment at Workplace Act 2013 to include other gender identities beyond women.

Sarva Seva Samity Sanstha (SSSS)

Grant amount: ₹31,13,000

Grant duration: 12 months

Location: East\Jharkhand

Project: Empowering Mal Paharia tribe communities through multi-dimensional interventions

Description: Sarva Seva Samity Sanstha (SSSS) supports women experiencing disadvantage through activities that cover health, nutrition, livelihoods and finance. SSSS aim to develop a sustainable and equitable society and take up challenging issues that will improve living standards for communities experiencing disadvantage. This grant supports SSSS to research and develop a framework for their work with the Mal Paharia tribe community which will inform longer-term interventions.

Social Action for Community Alternative Learning (SACAL)

Grant amount: ₹1,13,62,804

Grant duration: 36 months

Location: East\Orissa

Project: Addressing food and nutritional security in households in the Mohana Block of the Gajapati district – phase two

Description: Social Action for Community Alternative Learning (SACAL) aim to empower communities experiencing marginalisation, particularly women and tribal and Dalit communities. They support the capacity of community-based organisations through an integrated approach which covers sustainable resources management, gender equity and meaningful livelihood initiatives, using a people-centred democratic process. This grant supports SACAL to deliver the second phase of a project to address food and nutritional security in households experiencing poverty in the Mohana Block of the Gajapati district in Odisha.

Suchana Uttor Chandipur Community Society

Grant amount: ₹84,69,000

Grant duration: 36 months

Location: East\West Bengal

Project: Strengthening first language literacy among Santal and Kora children in Birbhum, West Bengal – phase two

Description: Suchana Uttor Chandipur Community Society (Suchana) works in the Birbhum district in West Bengal. They aim to promote and foster education to build awareness and initiative to tackle local and global issues. They work with parents, teachers, older children and other community members to set priorities, run the organisation and develop its future. This grant supports Suchana to deliver the second phase of a project to strengthen first language literacy in children in the Santal and Kora communities.

Tribal Health Initiative

Grant amount: ₹41,78,200

Grant duration: 24 months

Location: South\Tamil Nadu, North\Rajasthan, Central\Chhattisgarh, East\Orissa

Project: Exploring Rural Health Alternatives – grassroots community internships for young doctors in rural India

Description: Tribal Health Initiative works to improve the lives of the tribal communities living in the Sittilingi valley and surrounding hills. They run a range of programmes in health care, community health, farming and craft work. This project supports Tribal Health Initiative to run an internship programme for young doctors with grassroots health and community organisations in rural India.

Trust for Reaching the Unreached

Grant amount: ₹90,29,692

Grant duration: 24 months

Location: West\Gujarat

Project: Community-based mental health programme in Halol, Gujarat – phase two

Description: Trust for Reaching the Unreached (TRU) strives to improve the health of communities in rural Gujarat through community-based interventions. They run community programmes around general and mental health, offer holistic education for young girls, and deliver relief and rehabilitation in response to natural and human

made disasters. This grant supports TRU to deliver the second phase of a community-based mental health programme for communities in Halol, Gujarat.

Vidarbha Nature Conservation Society

Grant amount: ₹58,21,000

Grant duration: 21 months

Location: West\Maharashtra

Project: Natural resource-based sustainable livelihoods – phase three

Description: Vidarbha Nature Conservation Society (VNCS) supports the community management of resources for ecological security and sustainable livelihoods. This grant supports VNCS to deliver the third phase of their project to improve natural resource-based sustainable livelihoods in ten villages. In this phase VNCS will continue working with local institutions to build the capacity of local leaders.

Yuva Vikas Mandal

Grant amount: ₹72,86,820

Grant duration: 21 months

Location: Central\Madhya Pradesh

Project: Dignity and access to education for children of socially excluded groups - phase two

Description: Yuva Vikas Mandal is a non-government organisation that aims to empower and support young people, women and children to access rights, entitlements and justice. Their primary aim is to promote youth participation in development and governance processes for realising their rights and entitlements by ensuring transparency and government accountability. This grant supports the organisation to deliver the third phase of their project underpinning Dignity Centres in 20 villages in Sehore, Madhya Pradesh. The Dignity Centres will continue to support children who have experienced historic disadvantage to pursue alternative occupations and livelihoods.

Post Covid Relief Fund (PCRF)

Amhi Amchya Arogyasathi

Grant amount: ₹10,75,000

Grant duration: 7 months

Location: West\Maharashtra

Project: Post Covid Relief Fund - Education

Description: Amhi Amchya Arogyasathi ('We for Our Health') works to build community capacity for self-reliance and empowerment. They support women, tribal communities and farmers through a community empowerment approach to programmes covering health and nutrition, agriculture, policy advocacy, sanitation and education.
